"When skies are blue and days are sunny,
It's fun to shop and spend your money.
But if you're smart and use your brains,
You'll save some for a day that rains!"

"Save your nickels, save your dimes,
Listen well to all my rhymes.
And if you do, it's me you'll thank,
For all the money in your bank!"

What are you saving your money for?

How much money do you need to save?
